

Pre-Enrollment and Waiver Support Coordination – Updating Consumer Demographics

Introduction

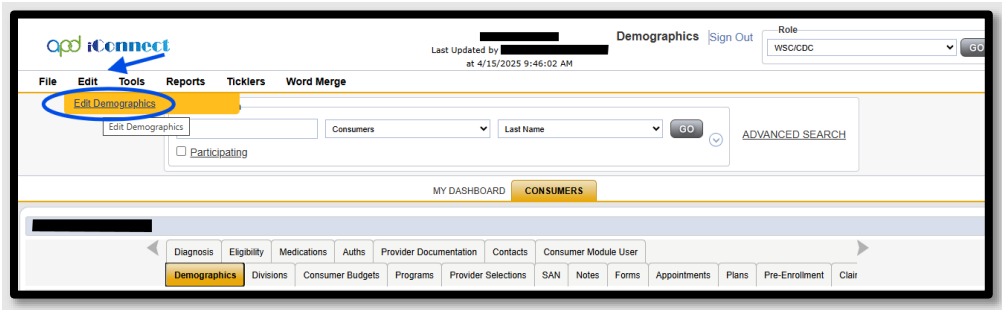

Pre-Enrollment, Waiver Support Coordinators (WSCs), and Consumer-Directed Care Plus (CDC+) Consultants must verify that the Consumer Demographics within iConnect are up to date.

The Support Coordinator and CDC+ Consultant are responsible for entering, updating, and verifying the accuracy of all demographic and recipient-related information pertinent to the recipient in iConnect. Information includes recipient address, county of residence, living setting, legal representative name, and address (if applicable), employment information, and type of benefits received.

The Support Coordinator and the CDC+ Consultant must update this information within 7 calendar days of becoming aware of the change.

Assess the Consumer Record

1. To begin, log into iConnect and set Role to **WSC/CDC** or **Region Pre-Enrollment Workstream Worker**. Click **Go**.
2. Navigate to the Consumer Demographics record and click **Edit > Edit Demographics**

Updating Consumer Contact Information (i.e. Addresses)

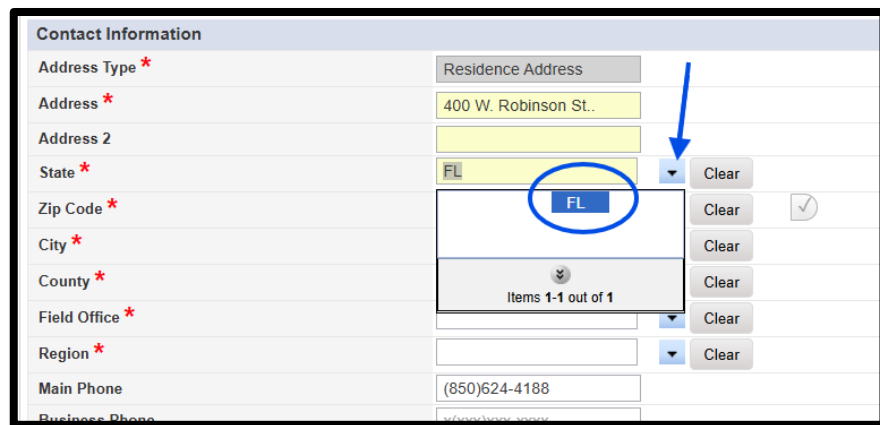

5. If Contact Information needs to be updated, the WSC and CDC+ Consultant must delete the existing address and use all 6 clear buttons to remove existing data.

6. Update the following fields:

- a. Address Type = The “Residence Address” must always appear here for ALL consumers (waiver, pre-enrollment or other active) and must reflect the individual’s physical address (For further instructions on how to fill out this section for consumers without a permanent “Residence Address” (DDDP, ICF, jail, etc.) proceed to [“Workaround: Individuals without a Residential Address.”](#))

A Temporary Workaround

Below are instructions on how to document residence address and “home” Region for clients who are homeless or in a different Region, at DDDP, in an ICF, jail, hotel, etc. iConnect is programmed to only show a “Region” designation when there’s a “Residence” address type.

In the example below, the client is at DDDP in Chattahoochee with a “Temporary” address, but his home region is SC, so DDDP cannot be designated as the “Residence” address or it will incorrectly designate NW as his home Region:

Contact Information	
Address Type	Temporary Address
Address	PO Box 1000
Address 2	Dddp
City	Chattahoochee
State	FL
Region	
Zip Code	32324

The details in the Consumer Address screen, shows that he has two “Temporary” Addresses (one for DDDP and one for the jail in Tampa). This client has no real residence address and no legal representative:

2 Consumer Addresses record(s) returned - now viewing 1 through 2

Address	City	State	Zip code	Active	Primary	Address Type
520 Falkenburg Road	TAMPA	FL	33619	No	No	Temporary Address
PO Box 1000	Chattahoochee	FL	32324	Yes	Yes	Temporary Address

<< First < Previous Retrieve 15 Records at a time Next > Last >>

When State Office runs reports his Region designation is blank because he doesn’t have a “Residence” address:

Contact Information		County
Address Type	Temporary Address	Field Office
Address	PO Box 1000	Main Phone (813) 247-8300
Address 2	Dddp	Business Phone
City	Chattahoochee	Cell Phone
State	FL	Email
Region		
Zip Code	32324	

Below are the instructions on how to document a Residence address for someone who does not have one:

A. For clients with no home residence address and no legal representative:

1. Add the Regional APD address as the client's "Residence" address
2. Update the following fields:
 - a. Address – Enter the corresponding Regional Street Address
 - b. Address 2 – Enter the word: **Non-Residence**
 - c. Skip to Zip Code = type in current zip code and select the zip code in the selection menu when it appears.
 - d. The following will auto-populate after entering the zip code. Verify that the information is accurate.
 - i. City – the Regional APD city
 - ii. State – the Regional APD State
 - iii. County - the Regional APD county
 - iv. Filed Office
 - v. Region – "home region"
 - e. Main Phone – Enter APD Regional office main phone
3. When running the CASS validation let it fail if it doesn't recognize the word "Non-Residence" in Address 2
4. The correct "home" Region will show up in iConnect
5. The "Residence" address must be updated when (or if) a client moves into a more permanent living setting (such as family home, group home, own home, supported living, etc.) in the "home" Region.

B. For clients with no home residence address who have a legal representative residing in the "home" Region:

1. Add a "Residence" address
2. Enter the legal representative address
3. Validate address as usual
4. The correct "home" Region will show up in iConnect

- C. For clients with no home residence address who have a legal representative residing in another Region (or State) enter the Regional APD address as indicated in “A” above.**

- D. Add as many “Temporary” addresses as necessary and mark the client’s physical location as “primary.”**
